

Anomalies between the Official Files and the Cook Island Roll of Honour Board, NZEF

A number of people have indicated that they have difficulty in locating their relatives on the Cook Islands Roll of Honour Boards held in the Cook Islands Returned and Services in Rarotonga. Likewise people have indicated difficulty in finding their relatives in the official New Zealand Army files held in New Zealand Archives which are digitised and on line. In an attempt to assist people find their relatives files or listing on the Roll of Honour, the spreadsheet below may assist. It is stressed that it is not suggested that either the Roll of Honour, official files or family knowledge of name are incorrect, rather it is just that there are differences.
